

**NOTICE OF REQUEST FOR QUALIFICATIONS
FOR
REPAIR SERVICES – MOTORS, PUMPS & MACHINING**

The Ocean County Utilities Authority, Bayville, New Jersey, will receive sealed qualifications and statement of interest (QSOI) packages until **2:00 p.m., local time, on Thursday, February 9, 2012** for Repair Services for Motors, Pumps and Machining; at which time said QSOI packages will be publicly opened. Each QSOI shall be signed and submitted in a sealed envelope bearing the name and address of the firm or individual making the submittal, the name of the Request for Qualifications/Statement of Interest (RFQ), and the due date of the RFQ on the outside of the envelope. The RFQ, including standardized submission requirements and selection criteria for all services, may be obtained from the Authority's Purchasing Department at 501 Hickory Lane, Bayville, NJ, 732-269-4500 during normal business hours, or may be downloaded from the Authority's website. All firms or individuals must be fully licensed to carry out the duties of their prospective services as required by the State law. The firm or individual shall possess a valid New Jersey Business Registration Certificate at the time of submittal of the QSOI package. If selected, the successful firm or individual will be required to comply with the requirements of N.J.S.A. 10:2-1 through 10:2-4, N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27. The Authority reserves the right to reject any and all submittals and waive any informality or technicality in any submittal. Responses to this RFQ which are to be mailed shall be mailed to: Purchasing Department, Ocean County Utilities Authority, PO Box P, Bayville, NJ 08721.

THE OCEAN COUNTY UTILITIES AUTHORITY
Request for Qualifications
RFQ-RSMPM-12-6
Repair Services – Motors, Pumps, and Machining

The Ocean County Utilities Authority (Authority) is requesting qualifications and statement of interest (QSOI) packages from firms or individuals to provide Motor Repair, Pump Repair and Machining Services. Each individual type of Repair Service needed is described under the Scope of Work section of this RFQ.

This Request for Qualifications (RFQ) is being issued and a contract will be awarded under the “Fair and Open” process pursuant to New Jersey Local Unit “Pay To Play” Law, Chapter 19, P.L. 2004 (as amended by P.L. 2005, c.51), N.J.S.A. 19:44A-20.4 et seq.

All firms submitting a QSOI package are advised of the responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission pursuant to N.J.S.A. 19:44A-20.13 (P.L. 2005, c.271, s.3) if the firm receives contracts in excess of \$50,000 from public entities in a calendar year. It is the firm’s responsibility to determine if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

General Requirements

Repair Services for Motors, Pumps and Machining – Electrical and Mechanical

No oral interpretation shall be made to any firm as to the meaning of any sections of this RFQ. Any questions or responses pertaining to this document shall be directed to:

Gerald J. Carboy, Q.P.A., Supervisor, Administrative Services
Purchasing Department
Ocean County Utilities Authority
PO Box P
Bayville, NJ 08721
Phone: 732-269-4500, extension 8304
Fax: 732-269-8440
gcarboy@ocua.com

Or

Christine D. Carty, QPA, RPPO
Purchasing Agent
732-269-4500, extension 8229
ccarty@ocua.com

Any firms who download the RFQ from the Authority’s website are requested to notify the above person of the Authority via email with the name and address of their firm.

Questions

All questions shall be submitted in writing to the Authority, and shall be postmarked at least seven (7) days before the established date for RFQ opening. The Authority will arrange, as addenda, which shall become part of the contract, all pertinent questions received and the decision regarding each. Prior to the opening of the RFQ’s, a copy of these addenda will be sent to each vendor who has obtained an RFQ from the Authority.

Firms shall acknowledge receipt of any addenda in the space provided in the RFQ. In the event that the firm does not acknowledge receipt of any or all addenda, the firm shall be bound to comply with said addenda.

Omissions and Discrepancies

Should a firm find discrepancies or omissions in the RFQ, or should they be in doubt as to their meaning, they should immediately notify, in writing, or orally, the Authority who shall issue an addendum for clarification to all of those who have received/obtained an RFQ. Time limits shall be as defined in "Questions".

Sales and Use Taxes

Firms responding to this RFQ shall study all tax laws for the jurisdiction in which the work is to be done, particularly so-called "Sales and Use Taxes" for which they may be liable as a consumer or user of goods. The Ocean County Utilities Authority is a tax exempt organization and such taxes shall not be included in the bid amounts.

Indemnity

The contractor shall indemnify and save harmless to the fullest extent permitted by law, the AUTHORITY, the AUTHORITY'S officials, agents, and employees, from and against all losses, claims, damages, expenses or judgments of every nature and description, including claims for bodily injury and property damage, brought or recovered against them but only to the extent caused by the negligent acts or omissions of the contractor, regardless of whether or not such loss, claim, damage or expense is caused in part by a party indemnified hereunder.

Contract Year - Prices Firm

After careful review of each firm's submission, and in the best interests of the Authority, the Authority intends, at its option, to award single or multiple contracts to firm(s) which best meet the Authority's needs for a period of one (1) year, beginning with the date the contract is awarded by the Authority. Once awarded, the Authority will issue Purchase Orders on an as-needed-basis referencing the contract number for services needed. Proposal prices shall remain firm for the duration of the contract.

The Ocean County Utilities Authority will make an award of the contract under and pursuant to N.J.S.A. 40A:11-1, et seq., (New Jersey Public Contracts Law), within sixty (60) days from the date of the receipt of the QSOI through a "Fair and Open" process pursuant to New Jersey Local Unit "Pay To Play" Law, Chapter 19, P.L. 2004 (as amended by P.L. 2005, c.51), N.J.S.A. 19:44A-20.4 et seq.

Award of this contract is subject to the 10 day review period provided by S763 N.J.S.A. 40:14B-14.

Selection Criteria:

All proposals will be evaluated and graded by the Authority on the basis of the most advantageous, price, and other factors considered including the mandatory submission of the requested information and documents as set forth in the Submission Checklist and Scope of Work which is unique to said Requests for Qualifications. Each item is explained in greater detail in the "Scope of Work" section of this RFQ.

Insurance Requirements

The Vendor shall obtain and maintain the insurance policies with coverages and limits as indicated heron and with carriers licensed and admitted in New Jersey and with an A.M. Best's rating of A VII or better, listing the Authority as an additional named insured.

- I. The Service shall not commence until the Contractor has obtained, at their own expense, all of the insurance as required hereunder, and such insurance has been approved by the Authority; nor shall the Contractor allow any Subcontractor to commence work on any projects until all insurance required of the Subcontractor has been so obtained and approved by the Contractor. Approval of insurance required of the Consultant will be granted only after submission to the Authority of original Certificates of Insurance signed by authorized representatives of the insurers or, at the Authority's request, certified copies of the required insurance policies.
- II. The Contractor shall require all Subcontractors to maintain during the term of the Agreement, commercial general liability insurance, business auto liability insurance and workers compensation/employers liability insurance at the same limits required of the Contractor.
- III. All insurance policies required hereunder shall be endorsed to provide that the policy is not subject to cancellation, non-renewal, or material reduction in coverage until thirty (30) days prior written notice has been given to the Authority.
- IV. No acceptance and/or approval of any insurance by the owner shall be construed as relieving or excusing the Contractor or the Contractor's Surety from any liability or obligation imposed upon either or both of them by provisions of this Agreement.
- V. Any deductibles or retentions of \$5,000 or greater shall be disclosed by the Contractor, and are subject to the Authority's written approval. Any deductible or retention amounts elected by the Contractor, or imposed by the Contractor's insurer(s) shall be the sole responsibility of the Consultant.
- VI. All insurance coverages must be underwritten by insurers licensed to do business in the State of New Jersey and be acceptable to the Authority. The insurers must also have a policyholders' rating of "A-" or better, and a financial size of "Class VII" or better in the latest evaluation by A.M. Best Company.

- VII. If the Authority is damaged by the failure or neglect of the Contractor to purchase and maintain insurance as described and required herein, without so notifying the Authority, then the Contractor shall bear all reasonable costs properly attributable thereto.
- VIII. The Contractor shall purchase the following insurance coverages for not less than the limits specified below or required by law, whichever is greater:
- A. Commercial General Liability Insurance or its equivalent for bodily injury, personal injury, and property damage including loss of use, with minimum limits of:
- \$1,000,000 each occurrence
 - \$1,000,000 personal and advertising injury
 - \$2,000,000 general aggregate
 - \$1,000,000 products/completed operations aggregate
- This insurance shall include coverage for all of the following:
- General Liability
 - General aggregate limit
 - Liability arising from premises and operations
 - Liability arising from the actions of independent contractors
 - Contractual liability including protection for the Contractor from bodily injury and property damage claims arising out of liability assumed under this Agreement
- B. Business Auto Liability Insurance or its equivalent with a minimum limit of \$1,000,000 (CSL) Bodily Injury and Property Damage Liability per accident and including coverage for the following:
- Liability arising out of the ownership, maintenance or use of any auto
 - Auto non-ownership and hired car coverage
- C. Workers Compensation Insurance or its equivalent with statutory benefits as required by any State or Federal Law, including standard "other states" coverage; Employers Liability Insurance or its equivalent with minimum limits of:
- \$500,000 each accident for bodily injury by accident
 - \$500,000 each employee for bodily injury by disease
 - \$500,000 policy limit for bodily injury by disease
- D. Professional Liability: Professional Service Contractors (such as, but not limited to Architects, Engineers, Attorneys, Physicians, and Risk Management Consultants) shall provide the Authority with a Certificate of Insurance evidencing professional liability and/or malpractice insurance with minimum limits of \$2,000,000 per occurrence, \$2,000,000 annual aggregate.
- E. Umbrella Excess Liability or Excess Liability Insurance or its equivalent with minimum limits of \$1,000,000 per occurrence, \$1,000,000 aggregate.
