

Construction of upgrades and improvements to Northern Water Pollution Control Facility in Brick Township, for Final Clarifier No. 4, Concentration Tank Nos. 1 & 2, and at the Central Water Pollution Control Facility in Berkeley Township for Final Clarifier No. 7; at a capital cost of \$3,985,00 were financed by the New Jersey Environmental Infrastructure Financing Program (NJEIFP). The NJEIFP is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (NJIB) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the Trust to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits and improve the reliability of the systems that treat wastewater for residents and businesses in the Northern and Central Service Areas of Ocean County and Monmouth County.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
