

The Ocean County Utilities Authority

Helping to Preserve the Water Resources of Ocean and Southern Monmouth Counties in the State of New Jersey

August 1, 2008 Retirement of David and Nolah Shinn

David and Nolah Shinn at their retirement celebration July 31, 2008

July 31, 2008 – The Ocean County Utilities Authority announces the retirement of David F. Shinn, Shift Supervisor assigned to the Central Water Pollution Control Facility and Nolah B. Hankins Shinn, Receptionist/Office Assistant, for the Authority's Technical Services Division. A celebration was held in the auditorium of the Central Water Pollution Control Facility on July 31st to honor David and Nolah and to recognize their years of dedicated service.

David started his career of more than 30 years with the Ocean County Utilities Authority, at the Southern Water Pollution Control Facility shortly after it began operation. David served as a Shift Supervisor since September 1986 and during his tenure, David played an important role in the Central Water Pollution Control Facility remaining in full compliance with applicable New Jersey Pollutant Discharge Elimination System effluent limitations. His efforts helped the facility earn "Gold" and "Platinum" level "Peak Performance Awards" for seventeen consecutive years from the National Association of Clean Water Agencies, previously known as the Association of Metropolitan Sewerage Agencies.

Since 1994 Nolah served as the Receptionist/Office Assistant for the Technical Services Division which provides Authority-wide Laboratory, Regulatory Compliance, and Industrial Pretreatment services for the Ocean County Utilities Authority. Nolah made many friends while employed by the Authority and will be deeply missed by her co-workers.

David and Nolah intend to retire to the State of Tennessee and their many co-workers, friends, and acquaintances congratulate them on their distinguished service to the Ocean County Utilities Authority and wish them the very best of health and happiness in the years ahead.
